## **Abstract**

The present work aims at representing Helen Keller's struggles and shed the light on how she overcome them based on the novel "*the story of my life*" by Helen Keller, this work was inspired by that American woman who faced numerous challenges in her life and outperformed all expectations, she did it with love and faith and courage, throughout this extended essay , the researcher was concerned with paying attention to autobiography, identity and experience, for invaluable importance in deciphering author struggles, one more last focus is related to the author's education and her teaching strategies and devotion who were of great impact in Keller life and her march towards realization of herself.
